

CCVI Board Meeting Minutes

DATE: 9/14/25 10:30am

LOCATION: 111 W Paseo del Chino

Present: Gretchen Kabler, Theresa Poruznick, Linda Berg, Stan Sherman, Diana Lieurance

President's call to order at: 10:30am

I. New Business:

a. Vote to appoint Marilyn West to the Board as Architectural Committee Chair. Vote passed.

b. Website discussion

i. Our website is no longer accessible to us after our domain expired (without notification to the current Board) and it was purchased right away by another party.

ii. Options and potential cost to resurrect or replace the website with a new domain were discussed. Regardless of the option chosen for hosting and building the website, the purchase of a new domain is required at a cost of about \$20-\$30 per year.

1. Retrieve a year-old version of our current site through our current domain host at a cost of approximately \$380 and pay for hosting (which was previously being offered for free).

2. Have our current domain host build a new website at a minimum cost of \$2000 plus pay for hosting.

3. Review HOA specific website hosts to see if any would fit our needs at a reasonable cost.

4. Select a new hosting company and look into building it ourselves with assistance from a community member who volunteered to help. Several possibilities were mentioned with hosting costs ranging from \$72 - \$350 per year (with different storage amounts) and it was determined that we needed to do a little more research before making a final decision. Stan advised that 25 GB storage would be sufficient for our website. Final decision is still pending.

II. Meeting adjourned at: 11:01am
